Special Rules:

- Man defense only (including presses)
- Illegal defense will be treated like a technical (2 pts and the ball)
- If up by 15 or more, no pressing
- 5 minute warm-ups – 3 minute halftimes
- 18 minute halves, running clock, stop clock last 2 minutes of each half
- Each team has (2) 30 second timeouts per half that do not carryover
- Technical foul – automatic 2 pts and the ball
- To maximize playing time, when a player is fouled in the act of shooting, his team will be awarded one point and he will shoot only one FT. However, during last 2 minutes of each half (stop clock portion), both FT's will be shot.
- Overtime periods will be 1 minute stop-clock & each team will only have one timeout (no carryovers)
- All other High School Federation rules apply
- Each team needs to supply a clock operator and/or a score book keeper

Coaches/Parents/Fans

CV basketball players will be volunteering their time to referee each game. Please be patient and respectful as we all know refereeing is a thankless job.

Note: technical fouls can be called on fans by the court monitor
